

Springtime Blessings

Dresden, April—June 2019

It is finally starting to warm up here in Germany. This is the time of year where God's creation is out in full glory. I have been truly blessed by Him this Spring!

I finished another portion of language school and passed my exam to complete B1 level. Basically, I can small talk with others and understand basic context when others speak, but I still struggle with having an actual conversation in German. Please pray I continue to grow in my language skills.

We had our annual Kontaktmission workers conference in mid-April. It is KM's 40th anniversary! Our week focused on looking back at the history of KM and our future. I learned so much about the work God has been doing in Europe. It was amazing to see how KM has grown from a small group of 13 working in Austria to over 300 missionaries in almost every continent.

One of the biggest blessings was finally getting my official Visa. I now have no issues with my residency and have the ability to exit and enter Germany without any legal issues. Thank you very much for all of your continued prayers as I worked through this issue.

My last big announcement is that I will be back in Illinois next month. I will be visiting from July 3 - Aug 4th. Please let me know if you would like to get together. I would love to visit with all my supporters and share about the awesome things God is doing here in Germany and to truly thank you in person for your support. Know that you are deeply appreciated!
